### Attendance this week - whole school: 93.9%

Releath Class – 93.2%

Trenoweth Class – 92.9%

**Pengelly Class – 94.5%**

Crenver Class – 94.4%

*Well done, Pengelly Class – Piran Bear will be staying with you again this week.*

**Parent Evenings** – Hopefully you will have received a letter already about Parent Evenings next week. These will be held virtually via the School Cloud system previously used in the Summer Term. Each appointment will last for 10-minutes and can be accessed on any device but do please take the time to test your microphone and camera beforehand. [A useful parent guide is available on the homepage of the school website.](#)

Please visit <https://crowanprimary.schoolcloud.co.uk> to book your appointment.

A short guide on how to make an appointment can be viewed by visiting: <https://support.parenteveningsystem.co.uk/article/801-video-parents-how-to-attend-appointments-over-video-call>

### Login with the following information:

Pupil's First Name:                   «Forename»  
Pupil's Surname:                   «Surname»  
Pupil's Class Name: (e.g. Crenver, Pengelly, Trenoweth, Releath)

*If you experience any difficulty, please contact the school office and an appointment can be added on your behalf.*

### Health & Safety – Coronavirus (COVID-19) symptoms in children:

The main symptoms of COVID-19 are:

- a high temperature
- a new, continuous cough – this means coughing a lot, for more than an hour, or 3 or more coughing episodes in 24 hours
- a loss or change to sense of smell or taste – this means they cannot smell or taste anything, or things smell or taste different to normal

### What to do if your child has symptoms:

If your child has any of the main symptoms of COVID-19, even if they're mild:

1. Get a PCR test (test that is sent to a lab) to check if they have COVID-19 as soon as possible.
2. Your child should stay at home and not have visitors (self-isolate) until you get the test result – they can only leave home to have the test.
3. [Check if you and anyone else your child lives with need to self-isolate.](#)

### Get a PCR test to check for COVID-19 on GOV.UK

#### Important: Help from NHS 111

Get help from NHS 111 if you're worried about your child or not sure what to do.

- For children aged 5 or over – [get help from NHS 111 online.](#)
- For children under 5 – call 111.

### What to do if your child seems very unwell:

Children and babies will still get illnesses that can make them very unwell quickly. It's important to get medical help if you need it.

#### Urgent advice: Call 111 or your GP surgery if your child:

- is under 3 months old and has a temperature of 38C or higher, or you think they have a fever
- is 3 to 6 months old and has a temperature of 39C or higher, or you think they have a fever
- has other signs of illness, such as a rash, as well as a high temperature (fever)
- has a high temperature that's lasted for 5 days or more
- does not want to eat, or is not their usual self and you're worried
- has a high temperature that does not come down with paracetamol
- is dehydrated – for example, nappies are not very wet, sunken eyes, and no tears when they're crying

#### Immediate action required: Call 999 if your child:

- has a stiff neck
- has a rash that does not fade when you press a glass against it (use the "glass test" from Meningitis Now)
- is bothered by light
- has a seizure or fit for the first time (they cannot stop shaking)
- has unusually cold hands and feet
- has pale, blotchy, blue or grey skin
- has a weak, high-pitched cry that's not like their usual cry
- is drowsy and hard to wake
- is extremely agitated (does not stop crying) or is confused

- finds it hard to breathe and sucks their stomach in under their ribs
- has a soft spot on their head that curves outwards
- is not responding like they usually do, or not interested in feeding or usual activities

**Camborne Library Summer Reading Challenge 'Wild World Heroes'** – Well done to the following children who were today presented with their Reading Challenge certificates: Bobbie, Charlie, K, Frankie, Jack, Joseph, Louisa, Sophia, Sophie and Luke.

**'Wild Tribe' Outdoor Education** – Releath Class enjoyed a day outdoors on Tuesday making designs using leaves and clay, and eating toasted marshmallows cooked over a campfire.
