Well done to Releath Class! Total school attendance this week – 97.3%

Golden Ticket winners this week – Kaycie (for involving other children in her games) and Maria (for always being polite and helpful)

Children in Need Day – Well done to Aidan for his fantastic effort in raising £133.77 by busking in Sainsburys in Helston last week.

PTFA – The next meeting will be on Monday, 28th November. Please, please come along if you can help with future events in any way.

The Exeter shopping trip was a success last weekend – well done to Mrs. Harry for organising it once again.

Health & Safety – Parking will be available for the Cracking Christmas event at both the front and rear of the school tonight. Please drive with caution since there will be many children and visitors on the school site. Mrs. Northey will be the nominated First Aider and Mr. Hunkin and Mrs. Gillam on hand as Fire Wardens in the event of any emergency. The muster points in the event of a fire will be on the path at the front of the school and on the playing field.

Industrial Action – Next Wednesday the children in Releath and Trenoweth classes will have a full day at school. The children in Crenver class should arrive for the afternoon session only. There will be no school for the children in Pengelly class on this day. As parents will appreciate, **for security and safeguarding reasons the school can not admit children to other registration groups should their lessons be affected by the industrial action.** Children in Crenver class should order school meals in advance if they require one on the Wednesday, and can arrive from 12.00 provided that they are 'signed-in' at the school office. Please be aware that the office will not be staffed full-time on this day – messages should be left on the school answer phone. There will be Stick-at-it drumming lessons with Mr. Annear and brass tuition with Mr. King as usual next week but the Helston Community College **Transition Programme** has been suspended due to the strike action.

Music – Please could anyone playing a solo at the Carol Service please bring their instruments along to school on Monday for a rehearsal.

The following children took part in the **Camborne Music Festival** last week and performed incredibly well – Jessica (1st flute and 2nd piano); Harry (1st drums and 2nd guitar); Aidan (1st violin and 1st guitar); ex-pupils Kathryn.W (1st piano) and Brendan. M (3rd Guitar). Such talent!

The Student Support Centre – On Monday you will be receiving a letter by satchel post outlining a programme of activities available from an independent company providing home study support for children. There is no obligation to purchase anything, but the school will receive a small sum of money from the company as a basic donation and this sum will increase in relation to the number of responses collected from parents. *We have decided, as previously, that the School Council will be the beneficiary of all monies received.*

Christmas Dinner – The children's Christmas Dinner this year will be on Wednesday, 7th December. Mrs. Heather needs the names of all children wishing to have Christmas dinner by **Monday, 28th November** at the latest. Sorry – but we will be unable to add any names to this list after this date. The cost is the price of a normal cooked lunch (£2.20)

Please return the slip below.
